

Eligibility Guidelines for New Jersey Board of Public Utilities Payment Assistance for Gas and Electric (NJBPU PAGE) Program

About the Program

New Jersey Board of Public Utilities Payment Assistance for Gas and Electric (NJBPU PAGE) program provides energy (gas and electric) assistance grants to income qualified households experiencing a temporary financial crisis. Eligibility is based on household size and income. Households who have income above 60% but at or below 100% of the State Median Income (SMI) guidelines can receive up to \$700 per utility per calendar year. Grants will be used for energy consumption only – not for deposits, reconnection fees, repairs, etc. All grant payments are issued directly to the utility company on the Account holder's behalf and no Account holder will receive a credit balance.
